## Press release

### **Peter Ottosen is our new Sales Manager in Denmark.**

Peter Ottosen has been appointed as Sales Manager for Ramsta Robotics in Denmark. The new Sales Manager post is part of the new offensive in Denmark in order to strengthen Ramsta Robotics market position and to offer the Danish customers a better sale and service presence.

Peter's last appointment was as a sales manager at GEA WestfaliaSurge Nordic A/S. Peter has many years experience and knowledge of the Danish farming sector and especially in the pig production sector. We are sure that Peter with his wide experience will add and strengthen to our efforts to develop the Danish market in order to become an even better supplier to our customers.

Peter will also be responsible for the changes in sales and service that we are carrying through in our Danish organization and that the changes will be as good as possible in a customer's point of view.

Fakta:

Det finns idag över 350 Clever Cleaner tvättrobotar i drift runt om i världen. Tvättroboten tar bort ett monotont och hälsovådligt manuellt arbete vid manuell tvättning med högtryck i företrädesvis svinstallar men även inom andra områden med hälsovådlig exponering vid manuell tvätt.

I Sverige och Danmark finns det över 200 robotar i drift idag.
